

# AZ Truck Driver

Earl Horst Systems Ltd. – Elmira, ON

## Job Description

EHS is a mid-sized construction company that builds grain handling and storage systems for farmers all over Ontario. A small fleet of 389 Petes keeps our crews well-supplied with the building material and equipment they need in the field. When our drivers aren't hauling our own freight, dispatch keeps them busy with good loads and good lanes - this is definitely a full time position.

When you drive for EHS, you'll:

- earn a competitive wage - \$75,000 to \$85,000 per year.
- enjoy loading and unloading outside in our yard in the summer when the weather's fine and inside our spacious warehouse on those fall and winter days when it's cold and wet.
- take advantage of the clean, modern washrooms (with showers) and the bright spacious kitchen we have at our new facility in Elmira.

And you'll be home every weekend! Our drivers only run Monday morning to Friday evening each week, so you'll be able to do the work you love and make it to those important events with family and friends.

**If you have at least 1 year of verifiable AZ experience, a good driver's abstract, a positive outlook, and a strong work ethic, then send us your resume and a few words about why you might want to work with us.**
