JOB POSTING: Truck Driver

We are currently seeking a **Truck Driver** to provide top-quality transportation services between the US and Canada.

Summary:

- **Job Type: Full-time, Permanent**
- **Salary: \$85,000-\$95,000 per year**
- **Benefits: Company pension; dental, extended health, and vision care**
- **Schedule: Monday-Friday**
- **Supplemental pay types: Bonus pay**
- **Work Location: On the road**

You Have:

- A valid AZ Drivers Licence with good drivers abstract
- A minimum of 1 year verifiable AZ driving experience
- The ability to legally travel between Canada and USA
- A strong work ethic and trustworthy character
- Get satisfaction by completing projects in a timely manner
- A positive outlook with a high degree of respect for safety

You Want:

- Competitive compensation package between \$85,000 and \$95,000 per year
- Year-end bonus, Health Care Spending Account and company pension plan
- Monday to Friday work schedule
- To drive equipment you can be proud of
- To take advantage of our fantastic home yard (includes commercial kitchen, modern washroom facilities)

Duties and Responsibilities:

- Travel to client sites to deliver building materials and equipment to our crews across rural Ontario
- Travel to GSI in Illinois to pick up product on a weekly basis – dedicated lane IL to ON
- Assist with unloading/loading grain bins and MH equipment as required, including operation of forklifts/telehandlers
- When not hauling our own freight, haul general freight as required in our curtain side flat decks
- Accurately document delivery records
- Maintain required driver logs and safety inspections

Who We Are:

Horst Systems operates in one the best sectors in the world – agriculture. We are the leader in the design and construction of Grain Systems because of our people, who are driven to excellence in everything we do; including customer service, quality and innovation. We work with the best customers; farmers and agri-businesses. We invest in our people to help them be successful at work and at home. We care for our staff team by maintaining traditional values such as Sunday shutdowns and truly respectful interactions. Horst Systems' continued growth can only happen with the right people on our team.
