

Grain Systems Service Technician

Elmira, ON

Full-time

Full Job Description

Why Horst Systems?

- Earn a competitive hourly wage and generous year-end bonuses
- Work with a team of highly-skilled tradespeople who are physically fit and passionate about the work they're doing
- Drive your own late-model Ford pickup, and make use of all the company-provided equipment you'll need to get the job done, including a full set of DeWalt cordless tools
- Grow within the role or beyond it – there are opportunities for advancement in our service department

What will you do?

- Travel to client sites to service and repair material handling, conditioning, and storage equipment
- Understand and perform preventative maintenance on material handling, conditioning, and storage equipment
- Assist other service techs and customers with troubleshooting steps and ideas on-site and over the phone
- Accurately complete work orders for each job, maintenance checklist and daily time sheets, safety forms etc.

What will you need to qualify for the position?

- Some relevant experience in a field service role
- Ability to work confidently and safely at heights
- Strong customer service skills
- Ability to meet the physical requirements of the job, including but not limited to lifting up to 75 lbs and climbing long fixed and temporary ladders
- Valid driver's licence and a good driver's abstract

Job Type: Full-time

Additional pay:

- Bonus pay
- Overtime pay

Benefits:

- Dental care
- On-site parking
- Vision care

Schedule:

- Day shift
- Monday to Friday
- No weekends
